

## Request for Hangar Wait List Form

Airport policy requires a non-refundable \$150.00 hangar wait list administration fee and accurate personal contact and aircraft information. When a hangar becomes available Airport staff will attempt to contact the next person on the waiting list via the phone number and email address on this form. If there is no response within 48 hours, you will be dropped from the list and the next person on the waiting list will be contacted. If you accept the hangar, you must pay the first month's rent within five business days and occupy the hangar with an aircraft registered in the name of the applicant within 30 days after an offer or you will be removed from the list. If you are offered a hangar and decline, your name will be removed from the list.
